

Prayer for the Jubilee of Loreto 2019-2020

O God, your glory is higher than the heavens;
make that to be lifting us in flight
let our spirit also rise high
and give us the wings of faith, hope and charity.

The flight of the planes is a rainbow
which unites the men and women of every continent
in a fraternal embrace
of friendship, solidarity and peace.

For the maternal intercession of the Blessed Virgin of Loreto,
protect all those who invoke you as Heavenly Patroness,
so that they may happily conclude their journey
among the countries and peoples of the world.

To you, Father,
that with your Son reign gloriously
in the unity of the Holy Spirit,
praise and glory for ever and ever.
Amen!

Mary, Queen and Gate of Heaven,
pray for us!
